Take the Harcourt North exit off the Calder Freeway. Follow the Jindarra Springs Winery sign, going along McIvor Rd for 3.7 km until it turns left at the reservoir into North Harcourt Road. Continue along this for 5 km.

There is another Jindarra sign near the top of a hill where the road veers right. Turn left here, past the letterboxes and along Ford Road.

About 600 metres after the dirt begins turn left into Fenton Drive. **Watch out for kangaroos.**

Follow Fenton Drive for 1.2 km, around the long right hand bend, until you reach the Dandura front gate on the left. Press the button to open the gate. (If you reach the winery you've gone 100 metres too far.)
